95th Anniversary

Kankakee Valley

PARK DISTRICT

Serving The Valley Since 1925

Celebrating 95 years!

To our Residents and Friends of the Park District,

Welcome to the spring edition of the KVPD program and facility guide! Wow, can you believe we are celebrating 95 years of officially being a Park District in the State of Illinois? Kankakee is unique and special with its history, river town charm, enormous amount of land along the river, and hundreds of acres with parks, facilities, and open space. With all we have to offer, KVPD remains viable in encouraging expansion and economic growth as well as producing civic pride. We will continue to assess and reassess the needs of our residents and patrons. Like changes of the season, life, and the world, we will re-evaluate the never-ending cycles of the district's efforts and its commitment to meeting the park, recreation, and conservation needs of our community as we are so fortunate to be given this ongoing gift of opportunity.

As we prepare for and begin our spring hiring, we are looking to find our summer seasonal staff for aquatics, maintenance, and our River Road facility. We are also hiring for Ice Valley, which is year-round. Position start dates vary (March, April, May, and June) based upon department and locations. Even though the minimum wage law will have an impact on our budget now and over the next 5 years, we are dedicated to provide outstanding recreation and beautifully maintained parks while being financially responsible with our property taxes and your paid fees. We will always advocate for you and recreation.

You will find many new and adventurous programs this spring and into the summer. We are bringing back some old-time favorites with a refreshed twist, completely never-before run programs, and our beloved oldies. Waiting for the last minute to register could cause a program, event, or class to be cancelled due to low enrollment. We implemented our new CivicRec registration system in the winter and have rave reviews on the ease of use. No more excuses...register today!

Let's celebrate 95 years together.

In the name of recreation,

Dayna J. Heitz

Americans with Disabilities Act

The Kankakee Valley Park District desires all its residents, regardless of disabilities, to participate freely in its parks, facilities, programs and services and is intent to comply with the Americans with Disabilities Act. The District will analyze and evaluate its parks, facilities, programs and services and take reasonable measures to ensure that people with disabilities are accommodated.

Waivers of Liability

To participate in any Kankakee Valley Park District programs, you must sign a waiver releasing the Park District of any liability.

Program/Class Deadlines

Please try to register early for classes to ensure the success of a program. For most programs, a decision will be made 3 days before a class is scheduled to begin. Registering at the last minute may mean that the program has already been cancelled. If you miss a deadline, please call (815) 939-1311 to see if there has been an extension.

Gift Cards

Give the gift of Recreation! Gift cards are good for any Park District program, including birthday parties, open gym and sports leagues. Gift cards may be purchased at our Administrative Office, KVPD Rec Center and Ice Valley Centre Ice Arena for any denomination.

NSF Checks

A \$35 service charge will be assessed on all checks returned due to insufficient funds.

Refund Policy

1. Full refunds will be issued for any program cancelled by the Park District.
2. Filling out a refund request does not guarantee a refund.
3. Participants may request refunds for programs up to three business days before the program's first meeting. In athletic programs and leagues, the program is considered to begin with its first practice.
4. Refunds will be issued via check within 10 business days once approved or by credit card if applicable.

Severe Weather Policy

Programs may be cancelled due to severe weather. Decisions about cancelling an event will be made at least one hour before the scheduled start time. If an activity is interrupted by severe weather, a supervisor will stay with participants until the weather has passed, or the participants have been picked up by a parent/guardian. Updates will be made on our Facebook pages and websites.

Lost and Found

Items left at Park District programs or events will be kept at the Park District Administrative Office. Items can be retrieved during regular business hours. Items will be kept for 30 days and then donated.

Program Ideas

The Kankakee Valley Park District is expanding our educational and recreational programs. If you have a particular skill, have an idea for a new program or are qualified to teach various recreational or educational programs, please call (815) 939-1311.

Non-discrimination Statement

The Kankakee Valley Park District prohibits discrimination in all its programs, events and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, marital or family status.

Insurance

The Kankakee Valley Park District does not provide medical insurance coverage for individuals who participate in our programs or use our facilities. To do so would make programs and user fees cost-prohibitive.

Definition of Residency

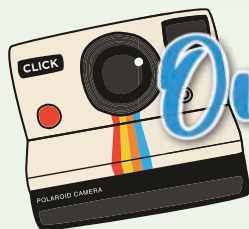

Not all county residents are residents of the Kankakee Valley Park District. Anyone living within the geographic boundaries of the Kankakee Valley Park District is considered a resident. Kankakee Valley Park District residents, via property taxes, make financial contributions to the operation of the park system. Non-residents are charged higher fees for some programs and events than residents to compensate for property tax disparity.

Residents of Kankakee township and Aroma township are considered residents of the Kankakee Valley Park District. We will check your tax bill for your township and look at the line items, of which one should say Kankakee Valley Park District. If the Kankakee Valley Park District is listed as a line item, you are paying tax to the District and therefore a resident.

Those who are not residents of the Kankakee Valley Park District and would like to be may receive all the privileges of belonging to the KVPD by paying the equivalent of Park District taxes annually. This membership allows for priority registrations, pool passes, and any other services provided to our residents at the resident rate.

Notice of Possible Change in Guide Listing

The policies, procedures, requirements, programs, fees and facility availability contained in this Brochure Guide represent Park District program and policies at the time of publication. Sometimes changes in the programs (including fees, locations, times, etc.) and policies are necessary after the Brochure Guide publication but prior to program commencement or facility operation. While we try to have something for everyone, if you find an error consider it put there for a reason. Someone is always looking for a mistake.

Out and About

There is always something exciting going on at KVPD!

- ✓ I agree with these rules and understand that the Kankakee Valley Park District, partners, clubs, affiliate sponsors, have adopted a Zero – Tolerance Policy and that not abiding by these rules may restrict me from attending future games and practices.

Participant Code of Conduct

Participants are always expected to exhibit appropriate behavior. The following guidelines have been developed to assist in making Park District programs safe and enjoyable for all participants. Little Blackhawks

Learning to play hockey is more than just learning a game. More than skating, passing and stick-handling, hockey is about responsibility, respect and teamwork. As children learn the skills needed to succeed on the ice, they also build and solidify important character traits needed to succeed off the ice. With that in mind, the Learn to Play initiative was developed jointly by the National Hockey League and the National Hockey League Players' Association to offer more families a chance to experience everything that makes youth hockey so rewarding.

Developed with the help of experts from USA Hockey and Hockey Canada, the Learn to Play initiative aims to be the gold standard for youth hockey programs with the goal of inspiring more families to join the hockey community. Learn to Play changes the way youth hockey is offered by providing first time participants, between 5-9 years of age, head-to-toe equipment, age appropriate instruction and certified coaching, led by NHL Alumni, in a fun and safe atmosphere. This program is for first-timers only. If you participated in Little Blackhawks last year or if you have an already registered USA Hockey number, you cannot enroll this year.

Registration opens in late 2019! Check our website for up-to-date information about registering at www.icevalleycentre.com.

DO I QUALIFY FOR A RESIDENT RATE?

Not all county residents are residents of the Kankakee Valley Park District. Anyone living within the geographic boundaries of the Kankakee Valley Park District is considered a resident. Kankakee Valley Park District residents, via property taxes, make financial contributions to the operation of the park system. Non-residents are charged higher fees for some programs and events than residents to compensate for property tax disparity.

Residents of Kankakee township and Aroma township are considered residents of the Kankakee Valley Park District. We will check your tax bill for your township and look at the line items, of which one should say Kankakee Valley Park District. If the Kankakee Valley Park District is listed as a line item, you are paying tax to the District and therefore a resident.
